SKILLS

- Data Analytics, Data science
- Tableau, excel
- Data Modelling
- Presentation
- Communication Skills
- Problem Solving

GEORGE NGUIRE

Data scientist

ABOUT ME

I'm a data scientist with a statistics and mathematical modeling background. My expertise allows me to effectively evaluate data and apply statistical techniques to derive relevant insights. I can create mathematical models to describe real-world systems and occurrences, allowing me to anticipate outcomes for various applications. I'm skilled at developing predictive models, which allows me to forecast future trends and events. Using analytics tools (Tableau, excel, Qlikview) and programming skills.
